MEMORANDUM FOR THE RECORD

SUBJECT: OXCART Charts

1. A meeting, arranged through the auspices of AFCIG-5, was held in the office of Colonel Hugh D. Wallace, AFCIN-1, on 10 December. Those in attendance were: Colonel Hugh D. Wallace, AFCIN-1; Lt. Colonel Robert Honeywell, AFCIG-5; Major William G. Biely, AFCIN-1C4; [redacted] CIA; Mr. Thomas Fianle, ACIC; and [redacted] CIA.

2. The meeting was concerned with working out problems connected with printing certain JM charts for the OXCART Project. A comprehensive review of the problems and requirements was achieved, with the following results:

(a) ACIC will be given authorization to print the required charts and will further be authorized to contract out normal chart printing that otherwise would occupy the presses.

(b) AFCIG-5 arranged, on-the-spot, for the transfer of [redacted] ACIC to pay for the private printing contracts.

(c) A target date of 1 April 1963 was established as being the goal for delivery of the water-soluble charts, predicated on a 1 February delivery of the paper to ACIC.

(d) A target date of 1 February 1963 was established as the date for delivery of certain 21 JM charts, printed on regular stock in the color format to be employed on the soluble charts, for pilot training and familiarization.
